Habitat ReStore Volunteer Opportunities for Individuals

Sales Team

These volunteers work with staff to ensure each customer who enters the ReStore has a great experience each time they visit. Assists with organizing, displaying items, customer inquiries, pricing merchandise, cash register transactions, and overall cleanliness of the store. This position is excellent opportunity for passionate, friendly, outgoing individuals.

Donations Receiving & Processing

These volunteers help to make sure donations are processed in a manner accommodating our ReStore donors and store needs. This position receives incoming donations, cleans and distributes items to appropriate departments for pricing and eventual display on the sales floor. Position includes physical labor as well as work behind the scenes to ensure ReStore success.

Electronic & Mechanical Repair

These volunteers play a key role in assessing donated electronic, appliance, and small engine items and preparing them for the sales floor or for recycling. This includes unloading, sorting, testing, repairing (as necessary) and cleaning items for display on the sales floor. This position is a great opportunity for individuals skilled in repair, or someone who wants to learn.

Furniture Recondition & Repair

This project-based opportunity works to increase the value of our donated items to maximize the impact on our mission. Volunteer will select appropriate furniture items and carry out reconditioning, refurbishing and repair, as well as identify and price antique items. This position is ideal for a skilled individual, or a volunteer who wants to gain experience in repair and restoration.

Office Assistant

Volunteers in this position will assist with the administrative tasks associated with the ReStore. Office assistants answer phones, help our scheduling department plan donation pick-ups, organize and log volunteer data and work on other projects as needed. This is a great opportunity for someone who likes to interact with the public, possesses administrative experience and wants to give back to our community.
